

Seaford Calisthenics Club is a friendly and small but successful club in the Southern suburbs.

We have highly qualified coaches who are fully accredited with the Calisthenics Association of South Australia (CASA) and are enthusiastic about teaching all aspects of calisthenics.

Lessons are held at Seaford Primary School on Friday afternoons. Lessons for 2012 resume Friday 3 February.

Participants will make long lasting friendships whilst having fun, learning co-ordination and improving their confidence, fitness and flexibility.

Check out our new web page at <http://seafordcalisthenics.blogspot.com/> to find out more about our club and calisthenics.

If you would like more information on lessons, please contact: Rebecca Burton on 8387 9280 or send us an email at seafordcalisthenics@gmail.com.au

Kudos in a very vine field

MESSENGER Community News recently sponsored the award for Outstanding Viticulture Student at Marcellin Technical College.

Viticulture and vineyard management are becoming more and more popular in South Australia where there are several key wine-producing regions.

"We are located close to famous McLaren Vale and have partnerships with grapegrowers and winemakers, so we know that they lack well-trained young professionals. That is why we decided to deliver training in viticulture at our college," Jim Fenoughty, principal and CEO of Marcellin Technical College, said.

The program has been delivered since the start of 2011 in partnership with

River Murray Training, Maxima, Irrigation Australia and the McLaren Vale Grape, Wine and Tourism Association.

"We are pleased that Messenger Community News, on behalf of our local community, spon-

sored the award to one of our promising students in a highly demanded profession," Jim said.

For more information, visit the website www.mtc.sa.edu.au or phone 8186 9700.
